

**Cybersecurity Framework Workshop 2016**  
**National Institute of Standards and Technology, Gaithersburg MD**  
*April 5-7, 2016*

**Workshop Purpose:** The purpose of this workshop is to provide attendees a broad sampling of Framework use and work products, as well as gather input to help NIST understand stakeholder awareness and current use of the Framework, the need for an update to the Framework, cybersecurity best practices sharing, as well as the future governance of the Framework.
